Lowell Dentist Appointed Chair of Yankee Dental Congress 35[®]

Thomas A. Trowbridge, DDS, MD, oral and maxillofacial surgeon, will serve as General Chair of the upcoming Yankee Dental Congress 35 (YDC), New England's largest dental meeting. Approximately 26,000 attendees will convene at YDC 35 when it takes place from January 27 – January 31, 2010, at the Boston Convention and Exhibition Center.

YDC is the fifth largest dental meeting in the country and is sponsored by the Massachusetts Dental Society, in cooperation with the Connecticut, Maine, New Hampshire, Rhode Island, and Vermont Dental Associations. As General Chair of YDC, Dr. Trowbridge has assembled a management team, known as the Core Committee, made up of dentist and dental auxiliary volunteers, who worked closely with Society staff to create YDC 35.

"The 35th Yankee Dental Congress has the theme of *360 Degrees of Dentistry*, emphasizing the use of technology in dentistry and dental education. This year's teaching courses will bring several of the best speakers in dental technology to our meeting in 2010," says Dr. Trowbridge. "We will also feature several new and exciting programs for dentists, responding to their requests for up-to-date programs and offerings. These include live dentistry sessions and hands-on teaching forums about new dental products."

Dr. Trowbridge graduated from the Northwestern University Dental School in 1989 and received his MD from the State University of New York at Stony Brook in 1993. He maintains offices at Lowell Oral Surgery Associates in Lowell, MA, and Nashua Oral Surgery Associates in Nashua, NH. Dr. Trowbridge resides in North Andover, MA with his wife, Karen, and two children, Matthew and Rachel.
