## Meet the Ortho & Hygiene Innovators!

Get ready to level up your oral health knowledge and meet two of the most engaging voices in modern dental care at this event. **Dr. Blaine Langberg, DMD, MS,** is a Harvard-trained, board-certified orthodontist, author, and stand-up comedian who breaks the mold of the traditional doctor. He brings Ivy League brilliance and elite clinical expertise wrapped in a healthy dose of humor, offering attendees unique insights into straight smiles and a stress-free patient experience.

Alongside him is **Avalene Roberts, RDH,** the premier Registered Dental Hygienist and content creator known to millions online as **@avalene.r.** Famous for her viral braces-care hacks and for debunking stubborn dental myths, Avalene is a master at turning routine oral hygiene into a vibrant lifestyle.

Together, this powerhouse duo represents the perfect fusion of clinical excellence and modern healthcare communication. Whether you want to talk shop about cutting-edge practice techniques or discuss the future of digital dental education, stopping by to meet this dynamic pair will leave you inspired. **Don't miss the chance to connect with them and take your smile strategy to the next level!**
